AVAILABLE SPONSORSHIPS

2010 CASBO Annual Conference and California School Business Expo

April 16-19, 2010
Sacramento, CA

The conference and expo are the premiere opportunities for companies to reach the California school market. As a result, associate members value the opportunity to engage in sponsorships and unique advertising activities at these events.

We are pleased to offer several new sponsorship opportunities for the 2010 CASBO Annual Conference and California School Business Expo.

Sponsorship benefits for all opportunities listed below include recognition:

- On CASBO Web page dedicated to annual conference activities.
- In program book distributed at conference (if commitment received by February 15, 2010).
- On general thank-you sign at conference registration area.

Art direction and product procurement for all items listed below is managed by CASBO in order to ensure efficiency, effectiveness and consistent application of the association's branding standards.

Sponsorship Opportunities:

NEW! Conference Scholarships

Multiple sponsorships available: \$500, \$1,000, \$1,500, \$2,000, \$2,500, \$3,000, \$3,500, \$4,000, \$5,000

There has never been a time before when this sponsorship was so needed! So many districts have cut all professional development from budgets. Your sponsorship of one or more of these scholarships would enable a school business official to receive training that would benefit their district!

To assist CASBO members in attending the conference during these challenging economic times, CASBO will offer scholarships to members. The scholarships will cover conference registration fees. Members wishing to apply for a scholarship may apply online. Criteria will include CASBO membership and current employment in school business. A committee of CASBO officers, annual conference committee members and staff will evaluate each applicant.

Sponsorship benefits include:

- Thank you signage at conference registration area and in conference publication.
- Invitations to reception for board of directors, officers, past presidents and scholarship recipients at CASBO office during conference.
