Secretary / Director I, CASBO Central Section Board of Directors

Please provide biographical information and any position statement you wish to make. This statement will be published in the CASBO publication in conjunction with balloting. Please limit your response to 200 words.

My name is Chris Mano, and I'm running for the position of Central Section State Director. I was born and raised in the Central Valley and graduated from Fresno State University. I just hit my 24th year in school business, the last 13 of which I have been serving as chief business official for the Burton School District.

For the past eight years, I have served on the CASBO Central Section Board of Directors as a director, secretary, president-elect and president, as well as section state director on the CASBO Board of Directors. This has blessed me with the opportunity to work with an amazing team of school business leaders to provide numerous professional development and networking opportunities for our local school business community. In doing so, I have developed a passion for service that will continue for the rest of my career and beyond. I would love to continue my commitment to CASBO as a section state director.

Briefly describe why you want to be a member of the CASBO Board of Directors.

I want to continue the epic journey that started when I joined the CASBO Central Section Board of Directors eight years ago! My involvement with CASBO has awoken and unleashed a desire to serve our business community. I can think of no better way of doing this than continuing in my role as Central Section State Director under Tatia Davenport's innovative and inspiring leadership.
