CASBO CBO Certification

Success Stories

“The courses that I took have given me the tools to increase capacity in my current position.”

“The certificate differentiates me from other candidates and enhanced my understanding of the bigger picture in terms of effectively managing K-12 education.”

“I had a wonderful experience earning the CBO Certification. The materials have been invaluable in my career and broadened my knowledge of school business. It was a great confidence builder. Networking is a much needed support system for a CBO.”

*Mary Downey
Deputy Superintendent
Business Services
Sonoma COE*

“The curriculum that was taught in the program was relevant and cutting edge with what is going on in the school business world today. The information presented was up to date and the issues discussed were thought provoking and interesting. I feel it was a great investment in my future. ”

CASBO CBO Certification

A Path That Works for You

Current Scenario

Solution

Jan is a district employee who wants to prepare herself for a leadership role. She has a college degree but not in business. She is anxious to learn from others about school business.

Jan should enroll in an upcoming CASBO CBO Partner Training Program hosted by one of our county office of education partners (which covers all core, skill, elective and practicum training requirements; see below).

Bill was recently promoted to accounting specialist. He has a college degree in business and has completed some education-related course work that may or may not be applicable to a CASBO CBO Certification.

Bill should contact us at certification@casbo.org to discuss his training options one-on-one.

Sally has been a CBO for six years. She has a Master's degree in Secondary Education and a UC Riverside CBO Certificate. She wants to keep her credentials current to stay on top of opportunities.

Sally is an ideal candidate for our CBO^E certificate. She can apply directly for our CASBO Certification because she meets:

- All CASBO CBO Certification requirements, plus
- Five years' experience as a CBO, plus
- A Bachelor's degree.
